“Om je heen... “ is een aantal puzzelwerkbladen voor kinderen van de basisschool.

Ze leren al puzzelend nieuwe begrippen, woorden en de schrijfwijze ervan.

De beeldpuzzels hebben thema's als je huis, de klas, je kleding, vervoer, eten en drinken.

Het uitgangspunt in de beeldpuzzels zijn de tekeningen die moeten worden vertaald naar Nederlandse woorden.

De opbouw (in moeilijkheid, min of meer van groep 3/klas 1 naar groep 8/klas 6) is in woordenschat-fasen:

- fase 1 geeft illustraties rond thema's; als hulp verwijzen nummers naar de juiste plaats in de puzzel; er is hier gewerkt volgens het concept van de Zweedse puzzel: het plaatje staat in het “eerste hokje”;
- fase 2 en 3 geeft ook illustratie-puzzels, maar de plaatjes staan verspreid en er zijn woordenrijen bijgedrukt; fase 3 is iets moeilijker dan fase 2 en de pagina's bevatten meer woorden/plaatjes;
- fase 4 en 5 bestaat uit dezelfde puzzels als in fase 2 en 3, alleen zijn er nu GEEN woordrijen meer;
- fase 6 geeft puzzels, waarbij de illustraties deels vervangen zijn door omschrijvingen, anagrammen en dergelijke. De moeilijkheidsgraad ligt hier dus hoger! Behalve het benoemen van de woorden moet er hier dus ook danig gepuzzeld worden!
- fase XXL biedt puzzels met verschillende onderwerpen, vaak met woorden die hetzelfde aantal letters hebben; een aantal woorden is vervangen door illustraties. Ook zijn er puzzels rond thema's en met spreekwoorden.

Bij elk deel zijn antwoordenboekjes verkrijgbaar.
